

BusinessBalls Enterprise

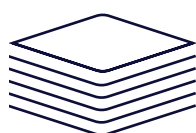

A ready-made LMS, packed with content

Manage compliance training and develop soft skills with an instant-access, content-rich and affordable LMS trusted by over 120 million people...

Plug-and-play LMS

Launch your own content rich LMS with a click of a button. Skip lengthy implementation processes: just add your learners, assign learning pathways and track progress.

Filled with content

Access over 1,000 engaging eLearning modules covering compliance training and soft skills development. All pre-loaded and updated for your convenience.

Affordable

One of the most cost-effective LMS and content solutions on the market, available for a fraction of the cost of other systems. Suitable for organisations with 5 to 500,000 people.

Other features

- ✓ Design **personalised training programmes** for your staff, choosing who accesses what material and how.
- ✓ **Diagnostic tools to measure strengths and weaknesses**, always recommending specific content to bridge any skill gaps.
- ✓ **Powerful reporting tools with real-time data** that help you to track learner progress and growth. Download certificates for compliance.
- ✓ **Custom branding options** provide a sense of familiarity for your people, and make the LMS really feel like your own.
- ✓ **Get help when you need it** from our world-class support team who will make sure you hit the ground running.
- ✓ **Licences available on a per-person basis**. Only ever pay for what you need, when you need it – and adjust at any time with a click.

Content catalogues
